

Midlands Office - Kidderminster

From the M5 (J3 or J4) take the A456 into Kidderminster. Go straight across the junction with the A449 past the Land Oak public house. We are located 200m down on the right hand side. The office is on the top floor of a white Georgian town house which is situated directly opposite St Ambrose Roman Catholic Church. There is a standard red post box located outside the gates. The main building is occupied by EMP Security. The gates to the building are operated by 24 hour security so just drive up to the gates and they will automatically open.
