

# MONS BARRACKS

---

<b>Customer:</b>	Kier Build
<b>Site Owner:</b>	MOD
<b>Approx. Value:</b>	£450k

---

Working with Kier Build, FSD carried out a full Building Services Installation at Mons Army Barracks in Aldershot.

The 18 month project consisted of:

- Installation of electrical services to 18 buildings
- Installation of approximately 400 internal, 80 external and 50 high bay light fittings
- Supply and installation of zoned lighting in hazardous areas such as the ammunition store
- Supply and installation of 250 various power supplies, including transformers and generators
- Supply and installation of cabling to 30 street lighting columns
- Supply and installation of emergency lighting throughout the site
- Wiring for communication and security to all buildings
- Supply and installation of power and distribution systems throughout the site
- Wiring for roller shutters, cranes and hoist in the garage areas
